AUGUST 2007

Welcome to Adrian, Purnell Family!

School Lunch Program

Adrian School District #61 participates in the National School Lunch Program and the School Breakfast Program. School districts that take part in the lunch program get cash subsidies and donated commodities from the U.S. Department of Agriculture for each meal they serve. In return, they must serve lunches that meet Federal requirements, and they must offer free or reduced-price lunches to eligible children.

Any child at Adrian Schools may purchase a meal through the National School Lunch Program. Children from families with incomes at or below 130 percent of the poverty level are eligible for free meals. Those between 130 percent and 185 percent of the poverty level are eligible for reduced-price meals, for which students can be charged no more than 40 cents. Children from families with incomes over 185 percent of poverty pay a full price, though their meals are still subsidized to some extent.

Adrian School Meal prices for 2006-2007 are as follows:

K-5 Full Price Lunch	\$1.90
6-12 Full Price Lunch	\$2.15
K-12 Reduced Price Lunch	\$.40
Adult Lunch	\$2.90
K-12 Full Price Breakfast	\$1.35
K-12 Reduced Price Breakfast	\$.30
Adult Breakfast	\$1.65
Extra Milk	\$.25
Extra Entrée	\$1.15

Reminder:

All Middle School and High School students need to fill out a participation slip that includes their insurance information. 6th, 7th, 9th, and 11th grade students need a **NEW Physical. Paperwork needs to be completed and handed in prior to the first practice date.**

High School will begin practice on the 20th and Middle School will begin on the 27th. Paperwork and information will be available during registration.

Games in August: High School Football Jamboree August 31st at 12:00 in Adrian. JV and Var Volleyball in Nyssa at Jamboree, August 31st, times TBA.

Free and reduced price meal applications are distributed to each family at the time the students enroll in school or are sent home with students the first day of school. Parents who do not receive this application should request an application from the school office. The determination for eligibility for free and reduced price meals is based solely on income and the number of persons residing in the household. Income thresholds are established at the federal level.

The U.S. Department of Agriculture (USDA) and the State of Oregon prohibit discrimination in all USDA programs and activities on the basis of race, color, national origin, sex, religion, age, or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, D.C. 20250-9410 or call (202) 720-5964 (voice and TDD). High School Principal's Report

Greetings!

As summer vacation winds down and a new school year approaches, our hope is that you are ready for an exciting and successful year at Adrian High School! Although the traditional signs of a new school year (the cool crisp mornings of fall) are still a month or two away, there are other signs that hint a new year. The increased activity around the facility as teachers and administrators return from their breaks and the sounds of student athletes working themselves back into shape during the preseason conditioning camps surely hint that the new school year is around the corner.

By way of brief introduction, I am Kevin Purnell and I will be the new High School Principal and Academic Counselor this year. My family and I are very excited about our move to

Optonal: Scientific Calculator
Senior Project: box of sheet protectors
PE: Gym shoes and clothes

***P.E. shoes must have non-marking soles. Street shoes are not allowed on gym floor. Shoes do not have to be new.**

High School Principal, continued

Adrian and we look forward to a new adventure in our lives. I have been in education for the past 23 years, five as a private school teacher in the Portland area, and the last 18 as a teacher and administrator in Prairie City. My wife and four kids, ages 8 to 16, welcome the change even though it was difficult to leave Prairie City. The community of Adrian has opened their arms to my children with letters, pictures and invitations to camps and tournaments; for that I am very grateful. This community has helped to make our transition much easier than it could have been. Thank you!

I have a few thoughts that I would like to share with parents and students as we begin the school year:

Freshmen: This is a big step in your academic career; from here on out, your grades and academic progress will have a greater impact on future opportunities. Get off on the right foot! Work hard to establish regular study and sleep hours. Take advantage of the small school environment; the teachers here are dedicated to seeing you succeed. R/SD Fridays are designed for your benefit; use them!

Sophomores and Juniors: For some, the new school year is an opportunity to forget the past and begin afresh. For others, it is a matter of revving up the engine and striving to excel. Either way each student begins classes on a level playing field and it is up to you to make the best of it. Take advantage of the new beginning.

Seniors: Don't just survive your senior year, THRIVE! There are many books and articles on "getting off on a dime" or "starting fast", but not much is written on "finishing strong". Remaining just as devoted and enthusiastic in the 4th quarter of a game as you were at the tip off/kick off is crucial to winning. Work hard, play hard, finish strong!

To all high school students I would like to remind you that a small school creates a unique community. Little eyes in the elementary and junior high are on you. They see you on the field, the court and the mat; they see you in the hallways, the cafeteria, the library, before school and after school and they look up to you. To many of them, you are or will be a hero. Continue to set a great example; be worth looking up to.

As a final note, I would like to share an observation we have made of Adrian. For the past couple of years I have coached opposite Adrian and my daughter has competed against Adrian students. We have been impressed with spirited, yet classy behavior of both fans and student athletes. You are to be complemented as an entire community! We are excited at becoming Adrian Antelopes!

Sincerely,
Kevin Purnell, Principal
Adrian High School

From the Principal's Office

I am excited about this school year. Ralph Waldo Emerson said, "Nothing great was ever achieved without enthusiasm." It will be great to work with our new High School Principal, Kevin Purnell. The new K-8 building will be fun to watch as it goes up this year. **Registration for the Middle School and High School will be on the 14th and 15th of August. The Elementary Students register the first day of school on August 20th.**

Due to the construction for the K-8 building our bus pickup lane will not be available. The buses will pick up and drop off students in the elementary parking lot. **This means no cars (except for handicapped students) in the elementary parking lot between the hours of 7:30-8:00 a.m. and 3:00-3:40 p.m.**

Great events are happening this year for our school but we know that flexibility will be needed to get the new building and continue to teach our children. We have a great community. Thank you for your support.

William H. Ellsworth
K-8 Principal

Welcome Back to School!

Schedule of Events

August 14-15..... MS/HS Registration
August 20..... High School Volleyball, Football
practice begins
August 20 FIRST DAY OF SCHOOL!
September 3 Labor Day, NO SCHOOL
September 13 Regular Board Meeting,
Library, 8:00 p.m.

- Birth Certificate
- Social Security Card (optional)
- Immunization Records

Immunizations must be up-to-date
or complete by the first day of school.

Please call Cindy at 372-2337
for more information.

Cafeteria Scoop

We are off to a new school year! Some changes and some things are staying the same. First, there is a change in charges for our meals. Be sure and check that out elsewhere in this newsletter.

I will try to take all your comments and suggestions into consideration, let us know what you like and don't like about our cafeteria. Keep in mind, we can't please all the people all the time, but we do try, honest!

How have your gardens been producing this summer?? Do you have any extra produce? We can always use any surplus you may have to donate to us. This time of the year our salad bar is the nicest one in the state!! We always have a fresh fruit bar too. I try to keep the fresh fruit of the season for all to partake of. We always have bananas, oranges, and apples, but sometimes we have surprises. Come to see what we have.

We hope you had a great summer, nice vacations and side trips, I know you have all read Harry Potter, and the fair is

over. So time to settle down for another school year.

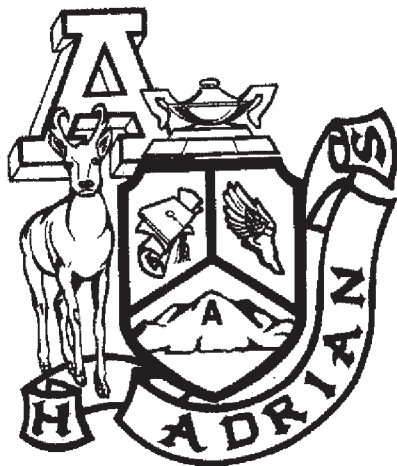

I will wait and see if you do want recipes this year. Please let me know, and tell me which ones you may want.

Our staff remains the same this year, I am the Food Service Supervisor, Jan Sillonis, I am married to Mike, and have 4 grown children, and three almost grown grandchildren. Julie Morton, is our Head Cook, Juile is married to Carl and they have four girls, 1st grade, 3rd grade, 8th grade, and a freshman. Hermalinda Dominguez is Cook, Linda is married to Sam, and has 5 children, three grown, and one a senior and one in 5th grade. Maria Almeida is the Dish washer. Maria is married to Humberto, and has seven childdren, all but 3 are grown, of them, one in 2nd grade, 6th and 8th grades. We are looking forward to seeing all of you again this year.

Till next time,
Jan Sillonis and Staff
