October 2010

High School Office 372-2335

K-8 Office 372-2337

Superintendent's Report

School is now in full swing. The overall attitude of our students and staff seems very positive. Student numbers remain about the same as last year with about 250, total. Our staff remains virtually intact from last year. Elizabeth Martin and Kelsey Zimmerman moved to full time with the departure of Shayne Kimball. We all wish Shayne well as he pursues a career in private business.

Denise Ashton has joined our staff in the cafeteria. Welcome back, Denise. Julie Morton, our cafeteria manager, is doing an excellent job. Thanks!

John Gordon, and the rest of our transportation, grounds, maintenance, custodial crew are continuing their usual great work. Thanks a heap!

I must repeat that I can't think of any school where I have seen the cooperation and support among all of our entities that we enjoy here at Adrian.

Just a reminder that our activities are in full swing. It has been my observation that our Adrian athletes play hard and display good sportsmanship. See you at the games. We appreciate our strong community support!

Have a nice day!!!

Gene Mills

Superintendent

K-8 PRINCIPAL REPORT

Our seventh grade had the opportunity to go on the traditional outdoor school for the middle school. This is a great opportunity for the students and teachers to learn a little more about each other and give an experience that can be written about during the school year. The Middle School Volleyball A, B, and C teams won against Notus. The Middle School Football team lost but showed that they are competitive and are anxious to win the rest of the games. The Elementary K-5 are settling in and the teachers are working hard to prepare them for the future. Last year's students demonstrated that they remembered the school motto by repeating the school motto, "Enter to learn, Learn to work, and work to serve.

Thanks for all of your support.

William H. Ellsworth

H.S. Principal Report

A note to parents:

As we pass the halfway point of the first quarter, you should have received the mid-term report cards. If your student's progress report did not make it home, please contact Stephanie in the office so that we can keep you apprised of your child's progress. If you have concerns about specific grades, please contact your child's teacher. Our desire is for each student to succeed in their educational endeavors. Just a reminder, these grades represent a progress report and do not appear on final transcripts.

My hope is that by the publication of the next newsletter, we will be able to show you pictures of the renovated science lab. We have had to juggle and share some classrooms due to delays to the remodel project, but, I am sure that the wait will be well worth it.

Activities In Brief

We inducted 11 students into the National Honor Society last week, bringing total membership to 18 students under the direction of Lorine VanCorbach. The Adrian Glean Team is up and running under the leadership of Madison Shira. This has been a huge success the last two years and league schools have already inquired as to whether or not we would be distributing produce to visiting schools. Our athletic teams are off and running with JV and Varsity schedules in football and volleyball. The football team is 1-1 with a tough loss to a solid Powder Valley team and big victory over Wilder. The volleyball team is 1-1 in dual matches splitting with Greenleaf and both JV and Varsity faired well in tournaments at Midvale and Borah respectively.

SAT and ACT Test Dates

The Oregon Diploma*

In 2008 the Oregon State Board of Education adopted the Essential Skills as a requirement for the Oregon Diploma, beginning with the Class of 2012. For the first time, students will be required to demonstrate proficiency in certain essential skills - skills that are deemed critical for future success – before they are awarded the diploma. Essential Skills are process skills that can be applied in a variety of courses, subjects, experiences and settings.

Beginning in 2012, students must demonstrate proficiency in the Essential Skill of Reading to earn a diploma. There are three assessment options available to students to show that they have met the requirement.

Approved Assessment Options		Achievement Scores
1.	OAKS Reading Test	236
2.	Other Standardized Tests:	
	➤ ACT	18
	➤ PLAN	18
	➤ Work Keys	5
	➤ Compass	81
	➤ ASSET	42
	➤ SAT	440
	➤ PSAT	44
3.	Local Performance Assessment: 2 Reading Work Samples: at least one informational reading selection (the second reading selection may either be informational or literary)	Score: 12 across the three required traits for each work sample (each trait must receive an individual score of at least 3); locally scored with the Official State Reading Scoring Guide

The timeline for implementation of the Essential Skills as a requirement for graduation (revised in August 2009) is as follows:

- Graduates of 2012: Read and comprehend a variety of text
- Graduates of 2013: Write clearly and accurately
- Graduates of 2014: Apply mathematics in a variety of settings

The remaining Essential Skills will be phased-in over subsequent years, with the timeline still to be determined.

Class of 2012

The Oregon Department of Education requires the testing of students in the 11th grade in order to evaluate student progress and achievement. At Adrian High School we allow students to test their 9th and 10th grade years as well, and by doing so, the majority of students in the class of 2012 have already met the state requirements for graduation, with several others at the 'nearly meets' level. Students will begin testing in October, and will be afforded 3 opportunities on the OAKS Reading Test. Juniors will also be allowed to take the PSAT in October as an alternative assessment test. Students have received practice tests for the PSAT and can find additional resources online at www.collegeboard.com.

Informational letters will be sent to the parents of the students in the classes of 2012 and 2013 regarding their current status. A meeting for parents is also in the planning stages for later this fall. If you have any questions, please feel free to contact me.

*Information taken from the Oregon Department of Education website.

FFA

Now that school has been in session for two months now, things are busier than ever. On September 1, Maddy Pendergrass and Jessica Morton represented the Adrian Chapter at Nunhems Annual Onion Showcase. Nunhems made a generous donation to the Adrian chapter, Vale FFA chapter and two local Idaho FFA chapters. Our Chapter is privileged to have a community like Adrian. But in our small return many members brought shovels, rakes and two strong arms to help with the annual "Clean Up Adrian Day" which was held on September 17. Other events are Dairy Judging on September 21, hosted by Chamberlain Farms in Willow creek, OR. and Beginning Leadership Training on September 27, in Nyssa. Two other events coming up are Soil Judging hosted in Jordan Valley this year, on October 6 and Adrian FFA Chapters Halloween Hoedown on October 21. If you are a high school student, who wants to be in FFA but cannot fit an Ag Class into your schedule please talk to Mr. Culley, we would love to have you in our chapter. If anyone has comments or suggestions about the chapter please contact Mr. Culley or one of the officers, we would be glad to hear your input. Thank you for your support!!!

Adrian FFA

NOTES FROM THE MUSIC DEPARTMENT

From Leadership, the homecoming poster, but we will add the V-ball game to it.

From Music: The Music department is off to a strong start this year. We are excited about the fall pep band schedule, (October games are 10/1, 10/7 and 10/29). The 5th graders are doing wonderful as they start beginning band. Parents, keep encouraging your students to bring home their instruments for a little practice on their own time! Keep music alive!

Mrs. VanCorbach

The week of Oct. 11-15 the cafeteria will be celebrating National School Lunch Week (NSLW). NSLW was created in 1962 by President John F. Kennedy and is a week set aside to promote the benefits of the National School Lunch Program (NSLP). The NSLP began in 1946 and is the largest of the federal child nutrition programs, feeding nearly 31 million children every school day.

The Adrian school cafeteria is dedicated to providing students and staff with nutritious and healthy meals and will be promoting the "School Lunch—What's On Your Tray" campaign. The campaign helps students learn that eating a healthy and nutritious school lunch is essential to help get the most out of their action packed day. Student handouts with more information will be sent home the first week of October.

"SCHOOL LUNCH – WHAT'S ON YOUR TRAY?" TO PROMOTE HEALTHY LUNCH CHOICES FOR ADRIAN STUDENTS

NATIONAL SCHOOL LUNCH WEEK CAMPAIGN INCLUDES PERSONALITY QUIZ FEATURING NUTRITIOUS FOODS that fit EVERY LIFESTYLE.

– **ADRIAN SCHOOL DISTRICT #61** is hosting "School Lunch – What's on Your Tray?" an interactive campaign that can inspire every type of student to get excited about healthy school lunch choices. The campaign culminates during National School Lunch Week, October 11-15, 2010.

By visiting www.WhatsOnYourTray.org, students can take a personality quiz to reveal which of the site's cool cartoon characters fit their personality the best. Whether they score as a social star, busy bee, sports fanatic or just totally chilled-out, students can learn what foods are best to fuel them up, keep them healthy and get the most out of their action-packed school days. Each character comes paired with healthy eating tips.

"School Lunch – What's on Your Tray?" is being featured in school cafeterias nationwide this fall to emphasize all the components of well balanced school meals. The campaign is sponsored by the non-profit School Nutrition Association and the Milk Processors Education Program (MilkPEP).

Serving more than 31 million children every school day, the federally-funded National School Lunch Program (NSLP) provides nutritionally balanced low-cost and free meals to students. The program, which has been serving the nation's children for over 60 years, requires school meals to meet federal nutrition standards.

- Meals are based on the Dietary Guidelines for Americans, meaning they contain no more than 30% of calories from fat, and less than 10% from saturated fat.
- School lunches include fruits and vegetables, grains and proteins as well as milk, and they must provide one-third of the Recommended Dietary Allowances of protein, Vitamin A, Vitamin C, iron, calcium, and calories.
- Meals are served in age-appropriate serving sizes meaning you get the amount of food that your body needs!

For more information about healthy school meals, visit www.TrayTalk.org.

Library Notes

Ten different youngsters have attended story hour so far this year. Half-hour sessions are held each week on Tuesdays from 10:30 to 11:00 in the school library. Thanks to Winona Allaire for volunteering to host story hours (with Elma Witty filling in as necessary).

Teams of Adrian students will compete in two divisions of the Oregon Battle of the Books (OBOB) this year. Lists of the 16 books for the elementary school and the middle school divisions are available and several students have already started reading the books. If you would be interested in helping coach either 3rd to 5th graders or 6th to 8th graders, please contact Mrs. Witty at the library. Also, any students who want to be on an OBOB team this year should tell Mrs. Witty that they are interested.

Outdated books about geography and history are currently being weeded from the library. If you like old books, you may want to look at the ones we have available for \$ 0.25 each (some of them have lots of great pictures). Stop by the library any time and ask to see the sale books.

STUDENTS OF THE MONTH SEPTEMBER 2010

- Kg: Camille Torres “Finally Adjusted to Kindergarten/Big Helper
Zachary Sumpter “Model Student”
- 1st: Conley Martin & Donavan Faulconer “Being a Great Listener”

Asucena Ramirez “Enthusiastic Learner and Always Willing to Help Others
Learn, Too”
- 4th: Mary Gordon & Kyle Sumpter “Creative Thinker”
- 5th: Sundee Speelmon “Outstanding Student and Citizen”
- 6th: Wes White “Helpful to Other Students”
- 7th: Jesse Moreland “All Round Exceptional Student”
- 8th: Quincy Pendergrass
Kellie Barraza

APTO

Here we are into the 2010-2011 school year. The Adrian PTO Board Members this year are: Kimberly Bertalotto, President; Nicole Torres, Vice President and Jessica Morford, Secretary. If anyone has questions about our organization or concerns, you can contact any of us; we will be more than willing to help you.

The Adrian PTO has various things going on this year. We already started off with the Welcome Back Dinner/Potluck held on September 9th. It was well attended and everyone brought a variety of dishes to share. The APTO would like to thank everyone who came out for it and we do apologize for not getting it into the newsletter. The APTO will host this dinner every year so make sure at the beginning of the school year you keep a look out for the flyers. The community is welcome to come to this dinner even if you do not have children in school. This dinner is to thank our community for supporting our school. The money received goes to sending our children on school trips, scholarships, reading program awards and much more. We surely could not do it without your support.

The APTO every year helps K – 5th grades with selecting a Room Parent. We would like to thank all parents who volunteer for this task. If you need any help or have questions about being Room Parent, please contact Kimberly Bertalotto at 541-724-5071.

The upcoming events that the APTO will be hosting are: Adrian's Annual Halloween Carnival on Monday, October 25th 6 pm to 8:30 pm; Santa's Workshop we try to get Santa to visit every year this event will be held on Saturday, December 4th from 2 pm to 4 pm; Strawberry Daze and Strawberry Daze Pageant on Saturday, June 18th 9am – until (this date could be changed at a later date); we also have floats for the July 4th parade held in Adrian every year. If you know anyone with a Santa suit or that would play Santa for the Santa Workshop please contact one of the APTO Board Members.

The APTO is always in need of volunteers to help coordinate or just volunteer for these events. Please contact Kimberly Bertalotto at 541-724-5071 or you can send a note in with your child addressing it to the APTO. Everyone is welcome to volunteer.

APTO can't express enough how much we appreciate our teachers and the other staff members for their support. We know that your time is valuable yet when you are asked to participate you do so willingly. This says a lot about our school support system and our community. When it is time to pull together for our school even though small I would have to say it has impressed us year after year the support that has been given to us and to other clubs or activities within our school. All of you deserve a gold medal for your hard work in making our school the hub of the community.

We look forward to seeing everyone this year. Thank you again for all of your support.

Kimberly Bertalotto, APTO President

ATHS Cheer

We would like to give a big thanks to all of our sponsors that helped us again this year. Those donations helped us with camp and purchasing our uniforms. Once again we have the most supportive community and we appreciate everything!!

Football and Volleyball season has begun so the girls have been polishing up on what they learned from camp and are excited to cheer for the teams. We have some new crowd cheers so look for those at a home game or pep assembly.

GO GREEN GO LOPES!!!!

2010 HIGH SCHOOL HOMECOMING EVENTS

THURSDAY, SEPTEMBER 30th

Prince Tommy Miller & Princess Ester Gordon

Prince Seth Maxwell & Princess Faith Livas

The whole community is invited to all of the events!!

The Community Pep Assembly will be a lot of fun also won't you please join us.

For more information please call the H.S.

FLU SHOT CLINIC

Malheur County Health Department will be conducting a flu shot clinic for our students and the public in the Adrian School Cafeteria on October 7, 2010. It will start at 9:30 a.m. and end at 11:00 a.m. The vaccine will have H1N1 included in it and will be just one shot. Flu shots will be \$15.00 if vaccine is provided by the state and \$26.00 if provided by a private company, unless presented with an Oregon Blue Cross/Blue Shield or Medicare/Medicaid card. Please contact Malheur County Health Department at 541-889-7279 if you have any questions. This will be a flu shot clinic only.

Condensed Board Meeting Minutes
August 12, 2010

Members present were: Paul Shenk, Neil Allison, Ryan Martin, Casey Walker and Jake Speelmon.

Call to Order The meeting was called to order by Board Chairman, Neil Allison, at 8:00 p.m. The meeting was opened with the Pledge of Allegiance.

Adopt Agenda Motion was made and was seconded to adopt the agenda as presented. Motion carried unanimously.

Elementary Principal Report Mr. Ellsworth reported that teachers have begun to come in and work on preparing their classrooms. He commented that Mr. Purnell had worked hard on the schedule to accommodate the needs of the elementary and middle school in the sharing of staff.

High School Principal Report Mr. Purnell is out of town on a family trip and Mr. Mills presented his written report. There are currently 82 students enrolled at the high school. The elementary/middle school and high school are sharing 5 teachers, and scheduling was a challenge. He expressed appreciation to the staff and Mr. Ellsworth for their input and assistance. The board members are invited to help greet the students on the first day of school on August 23rd. The golf coop will need to be renewed this year and will need to be taken care of before the season begins. There are changes being made to the handbook which will be covered later in the agenda. Mr. Purnell is working on a plan that would allow middle school students taking high school math to earn high school credits. This plan will be presented & discussed at a future time.

Superintendent Report Mr. Mills reported that the district will receive additional funding from the federal government intended to save teacher's jobs. The state will most likely use these funds to offset state funding reductions. Mr. Mills expressed an appreciation for the year round employees who have kept the school looking nice and running smoothly over the summer.

Financial Report Mrs. Witty presented the board with a balance sheet and a copy of the final receipts and expenditures for the fiscal year ending June 30, 2010. She reported that the auditors were in the district on July 26 – 28 for their audit field work. While here they met with Neil Allison and Ryan Martin who served as the district's audit committee this year. The audit field work went smoothly and the report provided the board is what will be reflected in the audit. She also presented a summary of receipts and expenditures and a balance sheet as of July 31, 2010. Salaries and benefits have not been encumbered yet. The district begins the fiscal year in a good financial position. We can expect about \$72,000 in the new federal funds. She also reported that the abatement for the asbestos found on the piping in the science room will cost \$8,711 to remove; this includes the development of specifications, testing, abatement and monitoring.

Public Comment There were none.

Consent Agenda Motion was made and was seconded to adopt the July 31, 2010 minutes as presented and to approve payment of the bills as listed in the amount of \$214,688.75. Motion carried unanimously.

Appoint Budget Committee Members Ryan Martin recommended Carl Morton be appointed to a three-year term on the budget committee representing Zone #3 beginning July 1, 2010. There were no

recommendations for Zone #1 at this time. Motion was made and was seconded to appoint Carl Morton to the budget committee. Motion carried unanimously.

Offer Extra-duty Contract The recommendations were not ready at this time and will be taken care of in September.

Approve Parent/Student Handbooks There were no changes recommended to the Elementary/Middle School Handbook. The changes to the high school handbook include the cell phone use policy, which prohibits the use of cell phones by students between the hours of 7:30 a.m. and 3:45 p.m. On the first offense the cell phone will be taken away and a parent must pick up the cell phone from the school. Subsequent offenses will be treated as a minor infraction and the student will receive detention in addition to the cell phone being taken and the parent being required to retrieve it. The Dress Code is also being changed by adding language that slippers and pajamas may not be worn at school except on designated Spirit Days. Motion was made and was seconded to approve the recommended changes to the handbook. Motion carried unanimously.

Science Room Remodel Update Mr. Mills reported that in addition to the additional cost for the asbestos removal, he has approved a change order which deducts \$2,863 from the bid cost resulting from a change in the acid waste piping. He also has approved an addition of \$2,500 to redo the south wall, which will be nicer looking and more functional than running wiring in a conduit outside of the building.

District and School Average Yearly Progress Report Mr. Mills reported that the Elementary School, High School and the district as a whole met Average Yearly Progress for 2009-2010. Copies of the report and more information will be presented in September.

Adjournment Motion was made and was seconded to adjourn the meeting. Motion carried unanimously. The meeting was declared adjourned at 8:40 p.m.

Complete copies of the minutes are posted in each building and on the district website, www.adriansd.com. Copies may be requested from the District Office.

Adrian Lego Club

This year we are starting a new club for kids K-8, "The Adrian Lego Club." We will be meeting every Further Friday from 11-12 noon, in Mrs. Gordon's room.

In this club students will be able to create and explore building and designing Lego structures. If you have Legos laying about your house that are no longer used, please consider donating them to our club.

Thank-You, Mrs. Gordon

372-2337 ext. 3715

*AHS Journalism class highlights community invisible heroes
Behind the scenes—Heidi Purnell*

Submitted by: Bekah VanCorbach

Four years ago, our community welcomed the Purnell family to our rural school district. Since that time, Heidi Purnell, wife of Principal Kevin Purnell, has come to be known as a person who can be counted on to offer support to anyone who needs it. From picking up concession supplies for the senior class, to helping make breakfast for the staff, Heidi can often be found working behind the scenes and is truly “An Invisible Hero”.

[http://www.adriansd.com/ahs/news%202010_2011/October2010.htm#t's_Behind the Scenes—Heidi Purnell](http://www.adriansd.com/ahs/news%202010_2011/October2010.htm#t's_Behind_the_Scenes—Heidi_Purnell)

AHS Journalism welcomes Exchange Students

It's All Good—Uwe Fanghaenel

Submitted by: Amanda Peutz

Positive attitudes is a simple frame of mind. It can take you many places and open up many doors in life. For Uwe—one of the new exchange students at Adrian High—he saw the positive opportunities available as an exchange student. Life is good.

Uwe Fangheanel is from Nuremburg, Germany—a city with 140,000 people. Well that would be a big change with the population being around 250 people here in little ol' Adrian. When asked “What was the first thing that came to his mind when he saw Adrian for the first time?”, he got a smirk on his face and there was laughter in his eyes. Although you could see many different memories running through his mind all he said was, “Small, but good.”

[http://www.adriansd.com/ahs/news%202010_2011/September2010.htm#t's_All Good—Uwe Fanghaenel](http://www.adriansd.com/ahs/news%202010_2011/September2010.htm#t's_All_Good—Uwe_Fanghaenel)

I Knew it was Right—Alessandra (Ssanja) Kleps

Submitted by: Madison Shira

“I love her purse.”
“I know it's cute. I want it.”
“Do you think she ate all of those chocolate bars to make it?”
“I don't think so. She's too skinny.”
“That's true...I really love that purse...”

Behind that Ritter chocolate bag is a fun-loving German-girl named Alessandra Kleps. Nicknamed “Ssanja,” she came to the community of Adrian from Potsdam, a country town outside of Berlin, where she lives with her parents and her ten-year old brother. Her father works in a bank while her mother runs a tea shop called Potsdamer Tee und Gewuerz Kontor a family business.

[http://www.adriansd.com/ahs/news%202010_2011/September2010.htm#I_Knew_it_was_Right—Alesandra Kleps](http://www.adriansd.com/ahs/news%202010_2011/September2010.htm#I_Knew_it_was_Right—Alesandra_Kleps)

Doing his Own Thing—Alexander Rips

Submitted by: Ssanja Kleps [Germany]

He came from a big city in Germany to Adrian. Alexander Rips, called Alex, is 17 years old and one of the eight exchange students this year at A. His parents asked him, if he would like to do an exchange year and he thought about it and from day to day he liked this idea more and more. As he heard that he will come for ten months to Adrian, he was very glad about it. Before his big adventure, he was very excited to leave his country, because there were so much questions like “How is it there?”, “Will the people like me?” or “What is the big difference to Germany?”.

http://www.adriansd.com/ahs/news%202010_2011/September2010.htm#ing_his_Own_Thing—Alexander_Rips

Serenity Now —Mr J

Welcome back—to computer issues, network problems, and needy students—the joys of returning to work! Whoever came up with this four letter word of work. It must have been someone without passions of fishing, golfing, and photography.

Passions--What truly motivates each of us? What are our real passions in life? Truth be known, my work would be one of my passions. Everyday, a student enriches my life—be it through their humor, overcoming challenges and obstacles, helping their peers and community, or developing a learning desire—they each bring an interesting aspect to this profession known as teaching.

Seniors are extremely busy with their Senior Projects. Between job shadows, reflection documents, and preparing for their physical projects, they are preparing themselves to the demands of the working world. Parents, please discuss their projects at the dinner table. Students are doing a fantastic job toward the requirements of this year long course.

Juniors are learning the value of money in their Economics course. They too are a great bunch of students and I am thoroughly enjoying this class.

Several photography students entered their photos at the Malheur County Fair, Oregon State Fair, and online competitions, where they received recognition for their talents. Students have just completed their first photo album and once again, their work is viewable at the high school link at <http://www.adriansd.com/>. The best of show photos from 2009-10 are viewable at http://www.teachertube.com/viewVideo.php?video_id=183531. You owe yourself a few moments to relax and enjoy the beauty of our area and this wonderful creation we all call earth.

Please feel free to contact me at the school and visit my classroom, my door is open.

Mr. J

OPERATION SHOE BOX Drive
By Rebekah VanCorbach

For my physical project, I will be collecting hair care products (ie. Combs, hair brushes, hair clips, bobby pins, pony tail holders, travel size shampoos, conditioners and gels etc..) for OPERATION SHOE BOX. These donations will be collected and wrapped in shoe boxes, along with other supplies, and then be delivered to local orphanages and foster care programs, as well as a reservation in Montana and given to children in need. I would appreciate any donations of NEW products, wrapping paper, and shoe boxes. I will also be accepting monetary donations as well. Donation Bins will be located at the High School Office and K-12 Office, or you can call me at (541)372-5211 and I will be happy to pick it up for you.
Thank you,

Rebekah VanCorbach
